Merry Christmas & a Happy New Year

As the year draws to a close, it's always good to take a little look back at the year to remember all the things that happened.

Here at Greenman, we, like so many others, had a cautious spring when there were troubled times. After a tough Corona period, the war in Ukraine started with all that it brought with it, our thoughts go out to those truly affected by it.

A new customerservice ninja began at the start of the summer and we all helped each other out a little extra during the holidays and got to enjoy a really lovely summer with nice weather.

During the autumn, we finally got to celebrate the company's 30th anniversary and the whole crew had a fantastic dinner at restaurant GIN here in Norrköping.

With this little look back, it's time to look ahead and we looking forward to an exciting 2023 with wonderful collaborations and many good meetings.

But first we want to wish you all a Merry Christmas and a fantastic Happy New Year. Celebrate, enjoy and take care of your loved ones

Warm regards from the
entire crew at Greenman

Opening hours during Christmas and New Year

This Christmas we will be open as usual but with a few exceptions.

Friday 23/12

Friday 30/12
Thursday 5/1
we close at 12 o'clock.

Monday 26/12 and Friday 5/1 we are closed.

Remember to place your orders well in advance these days so that we have time to pack before truck is leaving.

Around Christmas, there is always extra pressure on deliveries even at Post Nord. If your receiving customer has the PostNord app, you can enter their mobile number or e-mail. The customer then receives information in their app about the package and the times a package has not been delivered, they receive information in the app where the package is available for download.

You can read more about this at [Postnord](#)
